MUSINGS FROM THE DG

Last week was all about 'do as I say, not s I do'. I have received my infringement notice and paid it. This week I am very happy to report that there have been no mishaps and no misadventures. Let's hope it stays that way for the rest of my term.

My week started with a visit to the Rotary Club of Woolgoolga where I was hosted by President Julie Marshall. AG for Cluster 1 Pam Stone was also in attendance. It was lovely to see Pam out and about following her recent illness. Thanks to Peter Paff for helping out during this time. This club like every other is re evaluating its participation in community projects and fundraising during this Covid pandemic. They have said goodbye temporarily to the Rotary Auctions which have been the club's flagship fundraiser for over 30 years. They have been involved with the Mulloway School by providing a sensory garden. Last year the community Bush Dance featured very strongly and hosted over 100 enthusiastic participants. The club has been a supporter of the bushfire relief effort coordinated by Taree and Dorrigo. A past Rotarian from the Friendship Exchange program in 2008 came back and visited the area during the bushfires and was so moved he made a personal donation to help the victims of bushfire. The club is supportive of Heartstart, Hello Orara Valley and the Bush Tucker Box. The club are supporters of ARH and the Cando Cancer Trust. We talked about community partnerships and the club have been involved with The Jim Stevens Seat and plaque to commemorating Jim and his dog Buddha's involvement in caring for the local environment. I was treated to an Acknowledgement of Country by President Julie in the Gumbaynggie language and we all joined in a sing song of Heads Shoulders Knees and toes the Woopi Rotary Way - Gumbaynggirr language.

I can only remember the word for knees..... How about you? 😊

The second visit was to the Rotary Club of Wingham at their Services Club in Wingham. It has been 10 years since I was there at least. Possibly at the end of my footy days when the Wauchope Blues beat the Wingham Tigers! Might have been the year after we won the Group 3 championship! So enough about that I don't want to incite a riot. I was hosted by President Allan Browne, and in attendance was Cluster 4 AG Laurie Easter. The pre meeting board meeting was enthusiastically attended and I was called to account over the joining of our District with District 9670 in a couple of years' time. The questions are very much along the same lines as other clubs and many have raised similar concerns. By the time this newsletter is distributed I am hoping there will have been a significant email to all the Rotarians in both district answering some of the questions and providing a very clear outline of the structure of the new district and how it will be managed. It will be business as usual for the clubs at club level. The club is involved in supporting many projects including the Westpac Rescue Helicopter, Wingham Men's Shed, Billy Cart Race.

They also support the school bus by providing funds to keep it well maintained, and other schools and Day Care. They have also been big supporters of the bushfire relief. One of the very interesting projects was that of a project called "Art and Soul". This is a project of member Ron Hindmarsh an art teacher. The members of the community who have been involved in the Emergency Services and defence are provided an outlet and assistance for their PTSD recovery in the form of participation in art. This has been a very successful project and if anyone would like to emulate this project of need help or a club speaker, please do not hesitate to contact Ron, he will be only to happy to help. Ron mobile: 0409 507 362 E: ronandhelen1@bigpond.com.

My next visit was to the Rotary Club of Bellingen. This was a laugh right from the outset. It was a zoom meeting conducted on a very wet and blustery evening. I was glad to not be driving up the highway. Will visit another time. After sorting some technological issues, nothing to do with Bellingen we all met each other via our screens. The meeting was hosted by President Diana Christian. The meeting seemed to have an awful lot of people attending by the name of Kenneth Lloyd. In fact, nine people by this name. Apparently, this is what happens when there are difficulties logging in. After a lot of amusing comment Kenneth appeared as his real self. I was wondering if this was a membership stunt, looked like they were a hug club! Kenneth a very musical person gave us a rendition of several songs to famous tunes including a 'Welcome to DG' in the tune of Oh My Darling Clementine. I was most impressed, so thank you Ken, very entertaining and a first for me. Bellingen have a very impressive Club Plan and I was given a copy. President Diana says she is happy for me to share, so if anyone wants a look let me know on my visits or contact Diana personally. The club has been involved with funding and supply of defibrillators in the community, partnering with other groups to supply eye drops for the fire fighters. They support the local Men's Shed and have been at the forefront of community work by providing a gift to people in the community affected by the Covid pandemic restrictions. This club like many I have visited are concerned about some people in the community and the effects of continued isolation on their health. It would appear, that we dare to care about so many people, many who we didn't know before but do now, and they know about Rotary which is excellent. A big shout out to PP Jim who was tasked with picking up his children in town during the meeting and proceeded to do so, with his phone on so he could listen and then reconnected when he got back home.

Next week Laurieton, Lower Midcoast, Narrabri – just dropping in again for the fourth time ☺ and Lightning Ridge! See you out there in this great world of Rotary, Stay Safe and Stay Connected.

And always remember,

Opportunities are like sunrises - If you wait too long you miss them!

BEIRUT APPEAL

Rotary in Australia have lodged and registered with RAWCS a tax deductible project for donations at the request of the District Governors for the relief and rebuild of Beirut following the disaster where over 200 people were killed, 6500 injured and 300,000 have become homeless.

We are in contact with District 2852 where Lebanon is one of 9 countries within the District and they are preparing a list of projects that will require funding, based on a community needs assessment. PDG's Zaki Dorkham, Bruce Allen, Michael Perkins and myself are working together on this project and Bruce Allen will be in contact with the District Governors of Australia on updates, once we have ranked the projects and costings. We have an article in the upcoming edition of RDU on the appeal as well pushing through it on their social media outlets. We ask if the District Governors can distribute the attached notice of the appeal to all Rotary, Rotaract & Interact clubs in their Districts.

As well we ask if you and the Clubs can share among your social media contacts.

Your donation, no matter how big or small, will assist in the short and long term emergency relief of the people of Beirut. Rotary clubs in Lebanon have already been delivering food packs and assisting with temporary housing.

Rotary are currently having a community needs assessment compiled and developed by a panel of expert NGO's for the long term recovery of Beirut and we will particularly be looking at the health and education needs of the people of Beirut.

Michel Jazar (pictured), is from the Rotary Club of Kesrouan, Lebanon and is also the Chairman of the Rotary District Disaster Relief Committee for Beirut. Michel is working with District Governor Mazen Alurman who is from the Rotary Club of Manama, Bahrain.

VALE PAUL CALOKERINOS

Rotary Club of Manilla loses one of its longest serving members, Paul Calokerinos. Paul had been a member of Rotary for the past 40 years - a great effort. In 1991 Paul was awarded the Paul Harris Fellowship for his service and tireless work for the Manilla community. I can remember when the Ambulance ladies catered for weddings and special events in Manilla during the 1960's - 70's, raising funds for the current ambulance station, often Paul would help the ladies with the food preparation or advice. A thing that I recall about Paul is that whenever the club was having a social function or visiting another club, Paul's hand would be the first to go up and say count me in.

I often thought 'where do you get the energy', we would always pick him up (and Helen when she attended) at the Canberra Café and yes he would be waiting, with Helen making sure he would be warm enough. Paul always had a lot of goodies (Olives and Olive paste) which he would share very generously and would always look for an opportunity to promote Manilla. When it was time to head home, especially if we had visited Boggabri or Barraba, you would have to round Paul up as he was always the last to leave.

Our Christmas dinners were always special with Paul manning the BBQ, with everyone looking forward to his BBQ prawns. Paul had a quirky sense of humour as some of our members discovered when it came to trying a different meal! The Skylight Restaurant was our club's meeting place for many years as well as Changeovers and special functions - Paul, Helen and John always presented a great meal. Invited guests were always eager to attend as they knew they would get a good feast and great company. Paul will be missed as a valuable member, friend and mentor. As we discuss the events of the day, no longer will we be able to ask him who is who - his memory and knowledge of Manilla history was outstanding.

Rotary Club of Manilla

NYSF 2021 CANDIDATES CHOSEN

On 5 and 6 September, the District 9650 NYSF committee spent about 14 hours each day interviewing applicants for this amazing program by ZOOM. It certainly was a marathon, but it was fun, challenging and very successful. Three amazing year 12 students who were alumni from the NYSF in 2020 joined up as panel members and were absolutely amazing. They exhibited all the skills and personality and made a most valuable contribution to the weekend. Thank you to Thurkka Jeyakumar and Lucinda Ball from Armidale and Nathanan Holmes from Forster. Great work!

The following students have been offered a place in NYSF 2021

- Eliza Boland & Elian Cotter – Armidale Central RC
- Georgia Butler & Piyumi Ekanayake – Armidale North RC
- Kari Donaldson – Boggabri RC
- Hunter Churchwell – Coffs Harbour City RC
- Lachlan Eshman – Coonabarabran RC
- Courtney Wright – Glen Innes RC
- Chelsea Storey – Gunnedah RC
- Tayla Mitchell, Joseph Stanley, Cooper Stanley – Guyra RC
- Samuel Flood & Oscar Rainger – Inverell East RC
- Madeline Howard – Nambucca Valley RC
- Imogen Taylor – Narrabri RC
- Imogen Taylor, Kashia McGrath, Mackenzie Toone-Spokes, Nina Walters and Gretel Worner – Port Macquarie RC
- Mark Batterham & Thomas Boorer – Quirindi RC
- Ryan Southern – Tamworth RC
- Patrick Grainger & WenYan LimSchneider – Taree RC
- Abigail Gammon & Tyler Mathews – Wauchope RC

There were 3 other successful students who were not sponsored by a Rotary Club – Nathan Smith (Taree), Alexander Hall & Lachlan Hey (Armidale)

Special thanks to the Rotary Clubs who found these young people and have prepared them for an experience of a lifetime.

I would like to acknowledge the time and effort of my committee and thank them for their support. These incredibly generous Rotarians are PDG Bob Ryan, Julie Clendinning, Nick Hafey, Jack Wilson, PDG Ken Hall

Many thanks and we are ready to accept any challenges which come in the future!!
Di Hall, District Chair
