MUSINGS FROM THE DG

Hello fellow Rotarians, I hope this ENews finds you well and starting to get organised for your year ahead. Do not forget to add your incoming board to the various data bases otherwise they will not have access to the information they need. If you haven't passed on your changeover date to your AG please do so as soon as is possible so I can co ordinate a roster of my representatives or myself to attend and celebrate your occasion. It has been a weekend of heavy rain here which is good for the land and our water tanks but not so good for others. NSW Junior State Touch was abandoned yesterday, and the District Leadership Team had a slippery trip down the mountain to attend the Management meeting yesterday and today's District Management Training being held at Charles Sturt University. They have an amazing technology set up and theatre style seating in the lecture rooms. President Elects, Secretaries and their boards coming to the Port Macquarie training dates will be able to take advantage of this. It is a year ago that I held my training in Port Macquarie and such a lot has happened in the year. I extend my very best wishes to DGE David Mayne and Heather for their year and the Leadership team supporting them.

'UPDATE YOUR CLUB AND DISTRICT WEBSITES'

From Rotary Training Talk, January 2021 Many online courses have been added to the Learning Center. Update your website to make sure your members have access to courses that are important to your district's learning strategy. Most of the Lead Your Club and Lead Your District manuals have already been replaced with learning plans — a series of courses — specific to each role. These plans include Club President Basics, District Committee Basics, and District Training Committee Intermediate. The Lead Your Club: President manual still exists, but most of the Lead Your District manuals will be replaced by July. Use the course catalog to get direct links to all our courses and put them on your local websites. These deep links will take users directly to the course after they sign in to My Rotary. Write to us at learn@rotary.org if you need assistance getting these links.

'180% INCREASE IN MEMBERSHIP' Article by ARC PDG Ida Portella,

Rotary Club of Mareeba The Rotary Club of Katherine located in District 9550 in Australia's Northern Territory has had a 180% increase in membership in this Rotary Year, the club who has had 5 members for a number of years can now boast 14 active and committed members. Club members The club has struggled over recent years, however through sheer persistence and passion they will never quit, they have continued to run projects and programs within its community. Club Secretary, Rotarian Christopher Dixon, has instigated and driven many of these projects and it is through the projects and good PR that has enabled them to attract new members. A few of the projects include the Katherine Rotary Computer Club, Road safety program for indigenous young people and building a men's shed in Katherine's Rotary Park, these are just a few of the many projects that the club is involved with. The club regularly sends press releases and photos to its local newspaper and they have created a good relationship with them, they also have a Rotary display which is located in their local shopping centre. Good Community projects, partnerships with Corporate and other organisations together with great PR is what has helped the Rotary Club of Katherine grow and flourish.

RI President 2020-21 Holger Knaack.

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. Rotary Opens Opportunities through diversity.

And remember.... Opportunities are like sunrises – If you wait too long you miss them!

-- Centenary of Rotary in Australia --

In 2021, Rotary marks a centenary of proud community service across Australia. To commemorate the milestone the Royal Australian Mint has produced this elegant silver proof coin. The coin honours the big hearts of the 30,000 Rotary members and 1100 plus clubs across the country, which run programs such as youth exchanges, fundraise for bushfire recovery and bring life changing surgery to the Asia Pacific region.

We need applications now!

Why invest in RYLA????
It's an investment in your community.

From an employer –

"RYLA serves as a wonderful opportunity for each participant to take some time out of hectic young lives to reflect upon themselves, their community, their opportunities and their own developmental journey. Without fail, we have observed real and long-lasting changes in each individual who has participated. They have returned to our workplace with renewed engagement, greater perspective and an observable lift in confidence and maturity. It is amazing just what can be achieved in such a short period of time."

INTERNATIONAL ASSEMBLY A MARATHON EFFORT

A mini marathon was held by myself and Laura Telford recently in the form of the first International assembly. The opening session was at 1am on the 2nd of Feb and the last 3am on the 11th of Feb.

New incoming International President Shaker Meht delivered his theme and emblem 'Serve to change lives'. There were many speakers throughout the general sessions and the mix of countries in the 'Breakout' sessions made it very interesting and informative.

A major point that kept being driven home throughout the assembly was how important Rotaractors are to Rotary and that we need to include them in most facets of operation. When the early morning dust settles I'm sure Laura and I will inform you of a lot more that was presented. Although it was all a bit exhausting it was also enlightening.

URALLA ART SHOW - ALMOST HERE

Plans are well underway for the opening of the 43rd Annual Rotary Club of Uralla Art Exhibition to be held at the RSL Memorial Hall, Salisbury Street, Uralla. The Club expects to display around 300 artworks from artists across NSW and QLD with all artworks for sale, there is also an acclaimed Schools Section of talented, budding artists of all ages.

Opening night, which is the social event of the year, is Friday 19th March 2021 at 6:30pm with the Official Opening by Mayor of Uralla Mr Michael Pearce 7:30pm. We welcome local, well known Guest Artist, Katherine Miles. Katherine was born in Armidale, educated in Uralla and Armidale. She loved art at school, but in those early years art wasn't considered a gainful employment, so studied Nursing and Midwifery. This became her profession and still is, though less so, today.

Nursing took Katherine overseas and was lucky enough to visit the wonderful art museums of Europe, she was in awe of the 'Masters' works. About 10 years ago she took Folk Art lessons with some friends and this helped to realise the power of the brush and palette. Katherine loves colours especially the purity of nature and the amazing effects of light and shade on subjects. Acrylics are her choice of medium on canvas and board, subjects are variable; flora, fauna, landscapes and some portraits.

Katherine will be present on the night with an impressive display of her art, including an artwork donated for the raffle.

Delicious finger food will be provided by Michael's Café. Cost is \$20 per person.

Subject to covid19 restrictions, if food and drink not permitted \$5.00 entry fee, with tickets available at the door. The ever popular Pete Stanley will provide music. Everyone is welcome, an invitation is not needed. Chairman Graham Carlon said the whole town is behind the Art Show with overwhelming sponsorship and support. After the crippling drought, terrible fire season and the rain, not to forget Covid19, the past few years have been very turbulent.

Opening Daily: 10am to 4pm Saturday 20th March to Saturday 27th March 2021, 10am to 2pm Sunday 28th March

Entry fees: \$5 Adult, \$4 Seniors, Children under 12 years free.
