ROTARY INTERNATIONAL PRESIDENT 2021-2022

Rotary Club of Calcutta-Mahanagar

West Bengal, India

Shekhar Mehta, of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, is the selection of the Nominating Committee for President of Rotary International for 2021-22. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

Mehta acknowledges that current membership trends are a challenge and says that membership development should be Rotary's highest priority. He believes that focusing on regional plans, successfully transitioning Rotaractors into Rotary clubs, and increasing diversity and female members could yield a 5 percent net growth in membership each year.

"A major brainstorming is needed to find effective solutions suited to different areas of the world," says Mehta. He adds that regional ethos and culture have to be taken into account to find localized solutions, as "one size does not fit all." He believes Rotary can extend to new geographical areas and countries.

As a strong proponent of Rotary's strategic plan, Mehta says he will encourage clubs to use action plans and reinforce the core values of Rotary.

Mehta says Rotary needs to become more contemporary and adaptable by focusing on partnerships with governments and corporations, expanding partnerships with organizations that specialize in Rotary's areas of focus, and investing in technology.

Mehta, an accountant, is chair of the Skyline Group, a real estate development company he founded. He is also a director of Operation Eyesight Universal (India), a Canada-based organization.

Mehta has been actively involved in disaster response and is a trustee of ShelterBox, UK. After the 2004 Indian Ocean tsunami, he helped build nearly 500 homes for families affected by the disaster.

Mehta pioneered a program that has performed more than 1,500 life-changing heart surgeries in South Asia. He is also the architect of the TEACH Program, which promotes literacy throughout India and has reached thousands of schools.

A Rotary member since 1984, Mehta has served Rotary as director, member or chair of several committees, zone coordinator, training leader, member of The Rotary Foundation Cadre of Technical Advisers, and district governor. He is also the chair of Rotary Foundation (India).

Mehta has received Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Awards.

He and his wife, Rashi, are Major Donors and members of the Bequest Society.

VICE GOVERNOR 2021 - 22

Debbie LOVEDAY

Rotary Club of Port Macquarie

(H) 6586 4219

(W) 6581 3900

(M) 0418 298 912

dloveday@hdl.com.au

Debbie was invited to join Rotary in August 2010 and took up the position of Club Services Director/ President Elect in 2013 and was inducted as President in 2014. Debbie has established two RAWCS projects, Rural Hospital for Nepal and Debbie's Dummies and is currently assisting with a global grant for equipment for the Mums and Babies Hospital in Nepal.

Since joining she has been named a Paul Harris Fellow and a Platinum Friend of Australian Rotary Health. Debbie became District 9650 Community Services Director in 2016, and District 9650 Chair of Rotary Australia Benevolent Society in 2017.

She was born in West Sussex England and graduated as a registered nurse in 1978. Debbie has three adult children, Louise, Justin and Matthew and two granddaughters Perissa and Imogen. The family arrived in Port Macquarie, in 1992 and commenced the family business, Hastings Data Loggers Pty Ltd in 1993.

Drought, fire, and floods, and now COVID19, have been our enemy this year. Our District has been at the forefront of disaster relief with many communities affected. PDG Phil's theme of Strengthening Local Communities could not have been more apt and appropriate. Throughout the Rotary community we have lost people, property, livestock and for many...hope.

Rotary clubs with the support of money raised from appeals and grants have been at the coalface of relief. Our many volunteers have worked alongside our emergency services providing relief and support to those who need it. This constant unending support has at times come at a cost. Whether they have lost their own property defending others or suffered overwhelm and

exhaustion we need to keep our Rotary family and others safe.

Lifeline is at the forefront of providing trained support to people in need of mental health assistance. The support will be needed for many years to come, we expect to hear of many more people that need help in the future. I for one am proud to continue the support started in DG Phil's partner project for my year in the hope that we can reach out and respond to the recovery effort, heal the pain and promote recovery.

The DGE year I was told would be the busiest I would ever be, and they were not kidding. I have been to Christchurch New Zealand and San Diego for training. During that time, I have learnt a lot about Rotary and its wider community. I have met my counterparts from all over the world and we have shared our stories together.

Preconceived ideas for my year went out the window in San Diego and I realised that we are in a time of great change. Paul Harris said "If Rotary is to realize it's proper destiny, it must be evolutionary at all times, revolutionary on occasions.

We will "*Grow Rotary*" together by making membership memorable for the right reasons and our clubs vibrant and attractive, offering more than the traditional club model. We will embrace technology and together prepare our District for the changes to come. Holger Knaack said "*be disruptive*", I say 'let's challenge the status quo'.

The Mission of Rotary International

The mission of Rotary International, a worldwide association of Rotary Clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill and peace through its fellowship of business, professional and community leaders.

Rotary International supports its member clubs in fulfilling the Objects of Rotary by:

- Fostering unity among member clubs:
- Strengthening and expanding Rotary around the world;
- Communicating worldwide the work of Rotary;
- Providing a system of international administration.

ROTARY INTERNATIONAL PRESIDENT 2022-2023

Jennifer JONES

Rotary Club of Windsor-
Roseland, Ontario
Canada

Jennifer Jones says she sees Rotary’s Action Plan as a catalyst for increasing Rotary’s impact.

“As we reflect upon our new strategic priorities, we could have never envisioned that *our ability to adapt* would become our North Star during what is inarguably the most profound time in recent history,” Jones said in her vision statement. “Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today’s reality.”

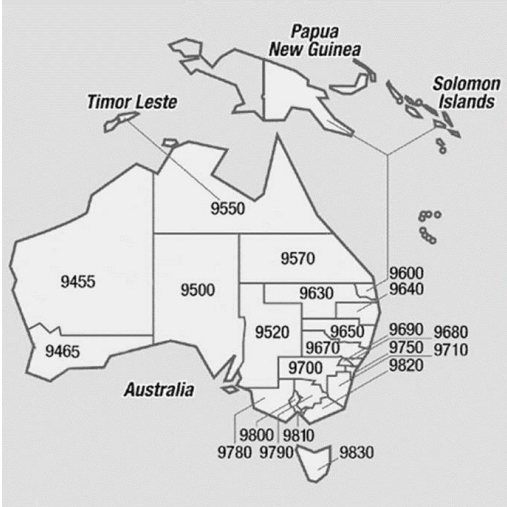

As the first woman to be nominated to be president, she understands how important it is to follow through on Rotary’s Diversity, Equity, and Inclusion (DEI) Statement. “I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership,” Jones said. “I will champion double-digit growth in both categories while never losing sight of our entire family.”

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the

Queen’s Diamond Jubilee Medal, and Wayne State University’s Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

A current Rotary Foundation trustee, Jennifer Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary’s rebranding effort by serving as chair of the Strengthening Rotary’s Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

She recently led the successful RotaryResponds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. She has also received Rotary International’s Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation’s Arch Klumph Society, Paul Harris Society, and the Bequest Society.

Rotarians that humbly serve their community, walk a fulfilled life.

THE FOUR-WAY TEST

Of the things, we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

The Four-Way Test was created in 1932 by Herbert J Taylor who in 1954-55 became the President of Rotary International.
